

Environmental Policy

ARGENTINA INTERNATIONAL MOVING SRL, Logistic operator with national and international coverage has defined its environmental sustainability process considering regular dialogue and engagement are essential. In interactions with employees, business partners and local communities, we seek to listen and respond to them honestly and responsibly. We are committed to protecting the environment by:

- Comply with applicable and current environmental regulations.
- Responsible use of electrical energy what includes the latest low polluting technologies.
- Continually looking for ways to minimize waste, emissions, and disposals derived from our operations, products, and services.
- Ecological awareness before printing any document, selection of unpacking material for its re-use or recycling, responsible disposal of tires or other waste that may produce pollution for its proper process.
- Respect to neighbors and contribute to our society. Labor hours are settled from 7:15 am to 4:45 pm. The impact of noise when operating at the warehouse is within the limits indicated by Health, Security & Environment

With our community and environment, we commit to:

- Reduce the impact of paper waste as well as wooden pieces, product of our labor, by applying the 3R's: Reduce, reuse, recycle.
- Operate indoors from Monday to Friday and only exceptionally on Saturdays within labor hours to preserve the quality of those who live in the area.
- Update periodically our vehicles to assure the non-pollution

The senior management of ARGENTINA INTERNATIONAL MOVING SRL assumes the responsibility of ensuring the dissemination, compliance, revision and updating of this policy whenever necessary.
